

A photograph of a wooden interior, likely a garden building, featuring a desk with a laptop, a potted plant, and a window looking out onto a green landscape. The scene is warmly lit, suggesting a sunny day.

Summer
Garden Buildings

INFORMATION

Every effort has been made to provide up to date factual information but, as our policy is one of continual improvements, we reserve the right to modify or change specifications as necessary.

All sizes where quoted are approximate and in millimetres. Products have been measured to maximum exterior dimensions including roof overhang unless otherwise stated.

Some specifications may vary due to availability and product improvements. Colour has been applied to some products for photographic purposes only. We take great care in the photographic accuracy of products shown in our brochure. However, due to variables in both the photographic and printing processes and the natural characteristics of wood, colours may not exactly match actual products.

Summer Garden Buildings does not guarantee that this is the most recent version of this brochure or that all information is accurate or that it has been accurately reproduced. You are advised to refer to our website for the current specifications and other information. No guarantee is given regarding the accuracy of this brochure and no liability will be accepted for any errors or inaccuracies.

Summer Garden Buildings is a leading UK retailer of garden and leisure buildings including:
